Introducing League Challenges!

League Challenges (formerly **Battle Roads**) are coming to our League. LCs are normally scheduled during the off-season weekends with some flexibility (run in the final week of current season/overlap into first week of new season). Like Regionals, it's also a **Premier Event**, but on a much smaller scale. So if this would be your first experience playing in a competitive tourney instead of Regionals, a League setting is the perfect place! You also have chances to earn **Championship Points** at these events! Be on the lookout for dates under the

Pokemon League Schedule

The following dates there will be no league play.

November 28, 2013

December 19, 2013

December 26, 2013

January 2, 2014

We would like to plan for a Christmas Holiday Party for December 12, 2013. If you would like to help out please talk to a league leader. Be on the look out for Update fliers and keep your eye on the league Facebook page at <https://www.facebook.com/groups/EasleyPokemonGym/>.

Take a look at some of the rule changes accompanying the launch of the new Pokémon TCG series.

New Pokémon and Energy types aren't the only big news in Pokémon TCG. There are also several rule changes going into effect on the same day the Pokémon TCG: XY—*Kalos Starter Set* launches on November 8th, 2013!

First Turn

Flip a coin before drawing your opening hand. The winner of the coin flip now decides who goes first. Also, whoever goes first now can't attack on his or her first turn. If you win the flip, decide carefully if you want the first turn or not!

Errata

Pokémon Catcher

Flip a coin. If heads, switch 1 of your opponent's Benched Pokémon with his or her Active Pokémon.

Changes: *This card now requires a coin flip. (This makes Pokémon Catcher functionally identical to Pokémon Reversal.)*

Professor Juniper and Professor Sycamore

While there are no functional changes to these cards, you may not include both of them in your deck. That is, you

Fun Stuff

Two players. Take turns drawing a straight line between 2 dots to make a square. As you complete a square put your initials in it and take another turn. Count 3 points with each square containing Pidgeotto, 2 points for Geodude, 1 point for each square with your initials. Subtract 3 points for each square with Haunter. The player with the most points wins.
