## Happy New Year

Welcome back to another exciting year of Pokemon! 2013 was a great year for our league. We've grown in membership over last year to over 300 registered players. I am looking forward to 2014. With the New Year here and league sessions' beginning now is a good time to register online at [pokemon.com](http://pokemon.com) for your trainer account. With a trainer account you can keep up with your player points for league play, league challenges, tournament points and special offerings by Pokemon. See a League Leader for more information and be sure to check into the league Facebook page at <https://www.facebook.com/groups/EasleyPokemonGym/>. Let's make this an exciting year for our League.

## Pokemon Bank

*Pokémon Bank* is an application and service for *Pokémon X* and *Pokémon Y* that will allow you to deposit, store, and manage your Pokémon in private Boxes on the Internet! *Pokémon Bank* is a paid service, with an annual charge for usage.

*Pokémon Bank* will be a powerful resource for players who like to obtain many different kinds of Pokémon, or for those who like to raise many Pokémon in preparation for battles and competitions!

### Online Boxes

As long as you have *Pokémon Bank*, you'll be able to link up to your own dedicated Boxes online using your Nintendo 3DS to easily deposit and withdraw your precious Pokémon. If the worst were to somehow happen and you lost your copy of *Pokémon X* or *Pokémon Y*, your Pokémon would still be safe and ready to be withdrawn to a new game if they were deposited to *Pokémon Bank*!

### Store up to 3,000 Pokémon!

In *Pokémon Bank*, you'll have 100 Boxes that can hold 30 Pokémon each, allowing you to store a total of 3,000 Pokémon! As a comparison, previous storage systems for your Pokémon—such as *Pokémon Box* for the Nintendo GameCube and *My Pokémon Ranch* for the Nintendo Wii—could hold a maximum of 1,500 Pokémon.

As always, there are still PC Boxes within *Pokémon X* and *Pokémon Y*, just as there have been in previous games in the Pokémon series. Store Pokémon from Multiple Games With *Pokémon Bank*, you can deposit and withdraw Pokémon from different copies of *Pokémon X* and *Pokémon Y*. All you have to do is download *Pokémon Bank* on your Nintendo 3DS system, insert your *Pokémon X* or *Pokémon Y*.
