The legendary league trade box has been a staple in our league since its early days. Anyone can choose a card and leave a card that they desire. Older players have donated some most recent cards into the box. This has given the trade box a healthy selection. Our league leaders do not monitor the box as to its contents, but do watch the trading of the cards to ensure that the box does not become neutralized. You'll never know what you will find in league trading box. The league trading box came about from suggestions of league owners in a forum on the Pokemon.com website. Feel free to donate cards to the trading box. All energy cards that are donated are usually removed and given to players who ask for them in small quantities. This is due to the basic energy cards values. The box was decorated by Ms. Penny.

Check out the trading box the next time you are at league.

Pokemon Trainer Accounts

We encourage our players to establish a Pokémon trainer Account at pokemon.com. Pokémon provides a way to connect Pokémon players all around the world by giving them the ability to open Pokémon Trainer Club accounts. With the Pokémon Trainer Club account, players can enjoy some member-exclusive benefits. By creating a new account to join the Pokémon Trainer Club online, you can earn trainer tokens, be a part of organized Pokémon play, get the latest Pokémon news, and customize your trainer appearance and so on. Creating a new account is simple, easy and convenient. With a Pokémon Trainer Account you will also be helping the league with more prize support. This means more prizes for players. We'll also through out the year have special prizes in the league for those with Pokémon Trainer accounts. In the upcoming months we will have a way for players and those who sign up a way to establish their Pokémon Trainer accounts right at the leaders table. If you have questions about signing up for a Pokémon Trainer Account see a league leader. Go to <http://pokemon.com> and sign up today.
