New Pokemon Set Announced

A new mini set - Double Crisis - is set for release by March 25, 2015. There are 28 cards in the set, which features new EXs and artwork - Team Aqua's Kyogre EX and Team Magma's Groudon EX. The full art cards look awesome!

Double Crisis: Aqua vs Magma will have 28 new cards which includes 8 holo cards. It will be released as two box sets that contains: four Double Crisis: Aqua vs Magma 7-card booster packs and a collector pin that will feature either Team Magma or Team Aqua. Each box set will be themed off one of the two villainous teams of Hoenn. There is no information on which cards will be in this set but it will most likely be themed off of Team Aqua or Team Magma. This mini-set is similar to past mini-set like the Shiny Collection in 2013 and Dragon Vault in 2012. Double Crisis: Aqua vs Magma will be released on March 25th, 2015.

Also being release in March is the Primal Groudon and Primal Kyogre Collections. Each collection will feature a figurine of either Primal Groudon or Primal Kyogre, a special holo of the featured Pokemon and four booster packs. This will be released on March 4th, 2015.

Meanwhile, a *Groudon Box Set* and a *Kyogre Box Set* will also be released on March 4th, 2015. These box sets will include a jumbo and holo card of the featured Pokemon with three booster packs. Lastly, *Latios and Latias Trainer Kit* will be released on April 29th, 2015. This kit will include holos of the two Legendary Hoenn Pokemon. The Trainer Kit will include two 30-card decks, a how-to-play guide, playmat, deckbox, damage counters, a coin, and TCG Online code. These Trainers Kits are used to help introduce newer players into the TCG.

It sounds like 2015 will be filled with new things for players of the TCG to enjoy. A lot of these products do feel and sound similar to the Ruby and Sapphire days of the TCG with a set featuring Team Magma and Team Aqua and Trainer Kits featuring Latios and Latias.
