Happy Birthday League!

Happy Birthday Pokemon League! April is our League's anniversary month. We have now been at the Captain Hampton Memorial Library for three years now. Needless to say the league is growing and continues to grow.

I would like to take this opportunity and thank the staff of the Library. Thank you players for your continued support.

In the month of April we will be giving away prizes during the month. Pokemon Activity Books, a badge case, Pokemon cards and other exciting prizes.

I would like to take time and review some of the library and league policies. If you have any questions please check with a league leader.

Be sure to check into the league Facebook page at <https://www.facebook.com/groups/EasleyPokemonGym/>. Let's continue to make this an exciting year for our League.

Library and League Policies

I think now is a good time to revisit Library and League Policies. A complete policy guide can be found at the reference desk of the library. If you have any questions please see a league leader.

Child Safety Policy

We ask your cooperation in keeping the library a safe and happy place for your child.

- ▲ Parents and caregivers are responsible for the behavior, safety and supervision of their children in the library. Library staff cannot accept responsibility for children.
- ▲ Children under the age of 10 must be continually accompanied by a parent or responsible caregiver.
- ▲ Children 10 and over may use the library on their own at their parent's discretion.
- ▲ If any unattended child calls attention to him/herself, Library staff will attempt to locate the parent or caregiver and inform him/her of the situation and the policy.
- ▲ If a parent or caregiver cannot be located, the appropriate authorities will be asked to intervene.
- ▲ Adults other than parents or guardians must not loiter in the Children's area.
- ▲ Taking pictures of children or in the Children's area is prohibited unless authorized by a manager.

The Board of Trustees authorizes the Library and staff to exercise or impose sanctions at their discretion when circumstances arise that is not addressed above. Failure to comply with the Child safety Policy may result in exclusion from the Library and/or legal action.

Amended policy approved May 27, 2008
