A Year in Review and What's Ahead for Our League

Happy New Year! This past year has been great for our league. When we started around 6 years ago in a little coffee shop in Easley, we had a dozen players. Now we have reached over 400 registered players, averaging 50 plus players per league session. Heath Ward has joined our league; he and the library have supported us beyond what we could ever dream. We have officially become a library program. We've moved into the large meeting room. We've celebrated four years at the library. We've had our annual league Halloween party which was a huge success. We've had eight league seasons and seen growth in every season. We've had 8 league challenges and seen growth in the league challenges. We've seen another league start in Anderson at Planet Comics by one of our league leaders Keith Thomas. I want to thank each and every one of our players for their support of this league.

Now we are into our 5th year at the library and I expect this to be the 'Year of Pokemon' in our community. The trainer cycle schedule is now set. League challenge tournaments are being planned. We will have a City Battles tournament at our venue. Pre-release events are also being planned at our venue.

As we look forward we have been meeting and planning on improving our administration of the league. Our anniversary month will be in April and we

are planning some great events. Of course we'll have the annual league Halloween party this year. We also are making plans to enter a float into the Easley Parade next Christmas.

This year we will be looking for volunteers in our League Leader program. Players will have a chance to apply to assist the league. We'll also need other volunteers for various events through out the year for league events. With tournaments coming up and premier tournaments coming our way if you're interested in judging in these tournaments please see Mr. Jeff for information.

Thank you all for your support of the league. I'm excited to see what year five has in store for us.

Pokemon Graphic Novels

Pokemon graphic novels are now available at the library. A vary large selection will be available. Pokemon Diamond and Pearl Adventure! Volumes 1-8, Pokemon Adventures Diamond and Pearl Platinum Volumes 1-19, and Pokemon Black and White Volumes 1-19. Exclusively at the Easley library.

Pokémon Trainer Club Account

We encourage our players to establish a Pokémon trainer Account at pokemon.com. Pokémon provides a way to connect Pokémon players all around the world by giving them the ability to open Pokémon Trainer Club accounts. With the Pokémon Trainer Club account, players can enjoy some member-exclusive benefits.

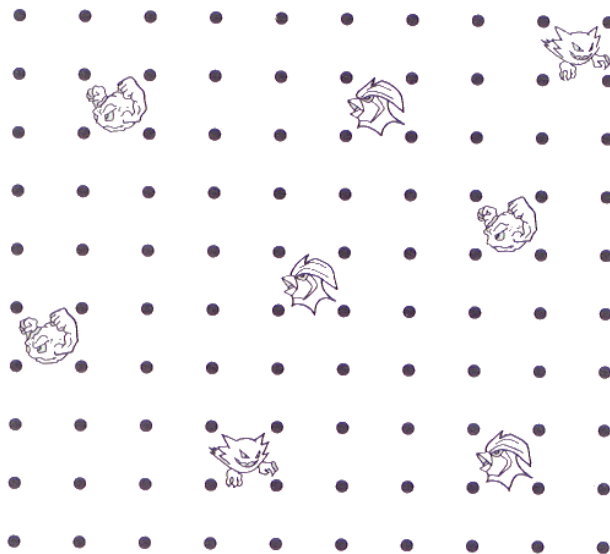

By creating a new account to join the Pokémon Trainer Club online, you can earn trainer tokens, be a part of organized Pokémon play, get the latest Pokémon news, and customize your trainer appearance and so on. Creating a new account is simple, easy and convenient.

With a Pokémon Trainer Account you will also be helping the league with more prize support. This means more prizes for players. We'll also through out the year have special prizes in the league for those with Pokémon Trainer accounts.

In the upcoming months we will have a way for players and those who sign up a way to establish their Pokémon Trainer accounts right at the leaders table. If you have questions about signing up for a Pokémon Trainer Account see a league leader.

Go to <http://pokemon.com> and sign up today.
